And Burpee's catalog - it brings  
Such happy thoughts of coming springs!

(One neighbor said: "I never look  
Within that tempting Burpee book.  
I shut my eyes to sweet pea wings -  
I need the cash for other things.")  
But tho- it meant some self-denial  
I'm glad I gave Burpee a trial.'

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
