Dear Sir,  
Will you be kind enough to send to Mr. R.E.C. Stearns of this city, a copy of the Smithsonian Checklist of Shells, Carpenters Lectures on the Mollusca, and Binneys Bibliography of N. Am. Conchology. Mr. Stearns is a careful and eager worker on the Californian coast and other shells, and I am sure the books in question would be well used. The boys are gone, and K. & I are well and hope to be off soon.  
Yours very Truly,  
Wm H. Dall

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
