I shall go up on the Nightingale which may not leave for three weeks, and whether I get Henry Elliott or not, where I stop, or whether I return to San Francisco next winter or not depends on news from Bob, and circumstances over which I shall have no control 'till the time comes. The only thing which is tolerably certain is that Capt. Scammon in the Nightingale will go to the mouth of the Youkon to make the necessary explorations, probably starting in near Cape Romanzoff. If I find a good place to collect I may

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
