for the first 3 or 4 days it was too rough to work - Rough as it was I was not at all sea sick - too lazy & sleepy to get sick I guess - anyway I quite enjoyed my first taste of life on the ocean waves. But latterly it has been too hot for comfort. Thank God we are going north!

I trust you will succeed in getting me some kind of authority for Jones at the Youkon to help us. - It would be very easy for him to give us great assistance without any

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
