[[underlined]]Richmond Texas[[/underlined]]

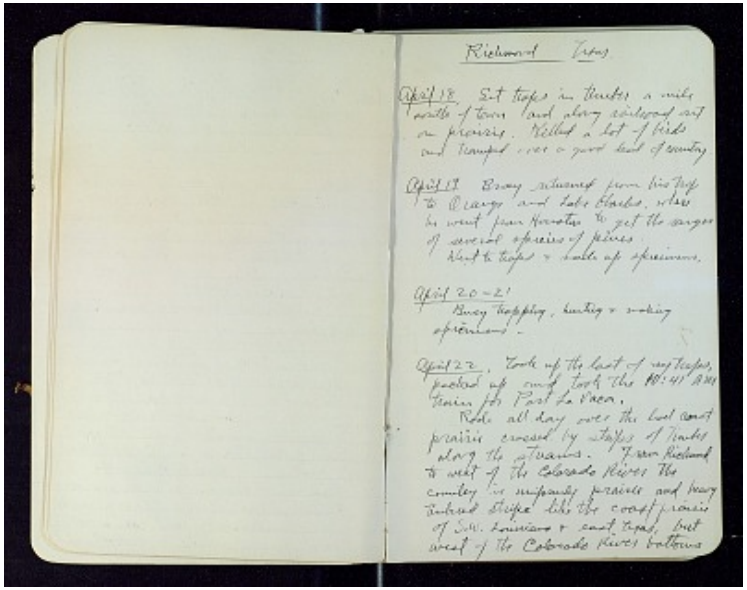

[[underlined]]April 18[[/underlined]], Set traps in timber a mile south of town and along railroad out on prairie. Killed a lot of birds and tramped over a good deal of country.

[[underlined]]April 19[[/underlined]] Bray returned from his trip to Orange and Lake Charles, where he went from Houston to get the ranges of several species of pines.
Went to traps & made up specimens.

[[underlined]]April 20-21[[/underlined]]
Busy trapping, hunting & making specimens-

[[underlined]]April 22[[/underlined]], Took up the last of my traps, packed up and took the 10:41 AM train for Port La Vaca.

Rode all day over the level coast prairie crossed by strips of timber along the streams. From Richmond to west of Colorado River the country is uniformly prairie and heavy timbered strips like the coast prairie of S.W. Louisiana & east Texas, but west of the Colorado River bottoms

Richmond Texas

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
