The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the Smithsonian National Air and Space Museum Archives as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Smithsonian National Air and Space Museum Archives website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Smithsonian National Air and Space Museum Archives or transcribe@si.edu

For more information on this project and related material, contact the Smithsonian National Air and Space Museum Archives. [See this project](#) and other collections in the Smithsonian Transcription Center.

~~Jan~~ Feb. 2.

Chabua

Visited Capt. Lieth's office - He is well started and very interested. Has some check pilots checked out - Has office w blackboards etc.

Visited ~~[[?Sookerating]]~~ in afternoon. Capt Wilkes is started but not so well as Lieth - Worked en route D/F procedure in Link Trainer - All very interested - Need to work it out for all stations.

[[margin: vertical writing]] Red alert at 11:00 am -

Stayed in trenches 1/2 hour -

False alarm -

Enemy over the ridges [[margin: vertical writing]]

Went to Chabua Bungalow #1 in evening - Found Col. Fell and Col. Clarke entertaining Col Jack Gibson and Col Dan Callahan of A.S.C. - Got definite feeling of coldness. - Could not talk to Fell or Clarke.

Feb. 3-44 Chabua

Visited Sector H.Q. - Col. Fell says no soap on enlisted promotions until more grades received from Wing -

Col. Clarke thinks enroute procedure good. But he objected at first to numbering system. Finally agreed except for briefing manual. He thinks it should be separate.

Told him about my airplane - He had a fit. Told me to turn it into Misamari. Use transition airplanes for standardization

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
