Dear. Spencer

Mr Good tells me you have changed the size of the sash you wrote
about. The kind like the draft you sent could be made out of
American glass without any cross ships for about \$8. a piece

The narrow cases will be finished today Mr Good is going to telegraph
^[Washington]] for a painter to shellac them you can't get any one here they are all
so busy. Do you want the other narrow
cases made I don't see how you
can get the Jenks lock on there is no

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
