United States Centennial Exhibition of 1876: Correspondence, 1875 - 1877

Extracted on Apr-16-2024 04:56:42

The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the Smithsonian Institution Archives as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Smithsonian Institution Archives website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Smithsonian Institution Archives or transcribe@si.edu

For more information on this project and related material, contact the Smithsonian Institution Archives. [See this project](#) and other collections in the Smithsonian Transcription Center.

INTERNATIONAL EXHIBITION
1876

United States Centennial Commission,
Philadelphia, April 1st 1876

[[in blue]] 231 [[/in blue]]

[[upper left corner]] BUREAU OF ADMINISTRATION --AGRICULTURE
[[/upper left corner]]

Prof. Spencer F. Baird
Smithsonian Institute
Washington D.C.

Dear Sir, It is with great pleasure I place at your disposal, one thousand five hundred and sixty (1560) square feet of floor space in the section of the Agriculture Building assigned to Fish and Fishing Apparatus.

Herewith a tracing of the space which you will perceive has three fronts and can have interior aisles if thought necessary. I trust you may accept it and report at an early day.

Yours Respectfully

Burnet Landretti
Chief of Bureau

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
