Tuesday

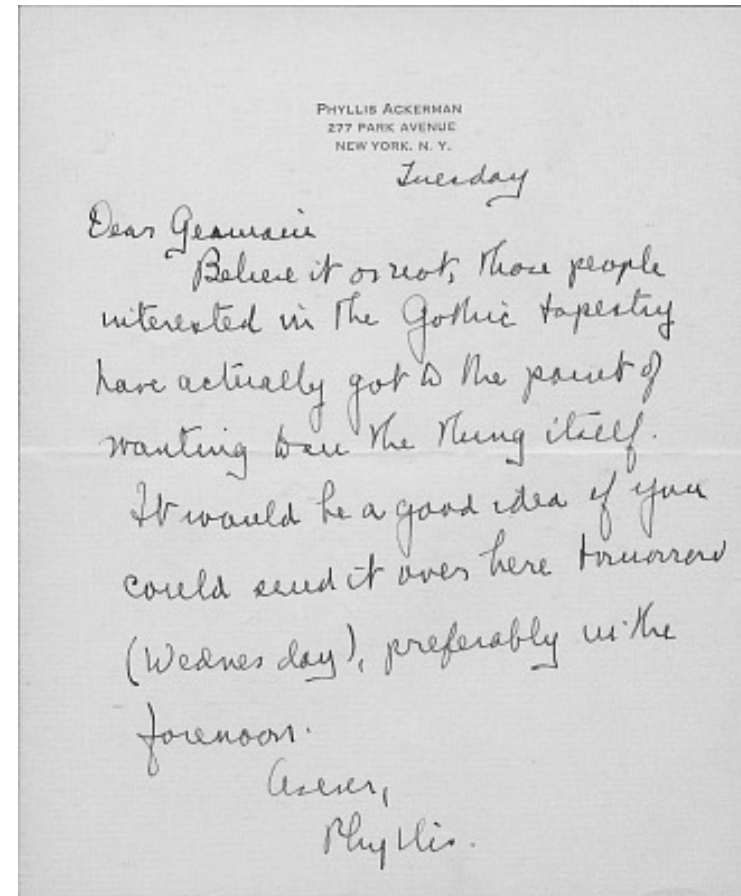

Dear Germain

Believe it or not, those people interested in the Gothic tapestry have actually got to the point of wanting to see the thing itself.

It would be a good idea if you could send it over here tomorrow (Wednesday), preferably in the forenoon.

As ever,

Phyllis

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
