30th Day--335 Days to Follow
Still cold
We are quite worried about Gwynn. Ruth came over and worked on him took his temperate. He is a pretty sick little thang A bad case of tonsilitus with complications Ruth invited me to Reunion of Clubs but of course I could not go.

31st Day--334 Days to Follow
[[handwritten]]
Cold & very windy
About all I do is try and make Gwynn comfortable Herman came out and cried when he saw Gwynn and asked us to get a Dr. Clarence tried Finally got Dr Young. Mabel and Mae Miller stopped from club the Dr came His heart was fast and he had temp of 102. A very sick lad.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
