[[/preprinted]]

Went down to Harners talked about going to Pa but changed our minds. Had a nice time. Venus wanted us to come up but the kids were too cross. Cletus and Bob U. came and played a game of Chinese checkers then went to show.

[[preprinted]]
He only fears men who does not know them, and he who avoids them will soon misjudge them.
Goethe

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
