Friday.

Dear Germain- This is in haste to answer your last letter-.

You are so right about the "wild goose chase"- I know it so well. I'll pay gladly the transport and insurance if there is a definite interest in the Head, as to it's purchase. If ^{it is} just for an exhibit and have it shipped back to New York- I don't think I would do it.-

Of course we will "shade down" if the museum is serious

Friday.
Dear Germain— This is in haste
to answer your last letter —.
You are so right about the
"wild goose chase" —. I know it so
well. I'll pay gladly the transport
and insurance if there is a definite
interest in the Head, as to it's purchase.
If ^{it is} just for an exhibit
and have it shipped back to
New York — I don't think I would
do it —.
Of course we will "shade
down" if the museum is serious.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
