Things to do:
Blood sera
Tortoises each isl
Iguanas each isl
Both can compare
mainland species
Hilled land & maine
iguana for various
is (turtle ic)

A photograph of a piece of lined paper with handwritten text in cursive. The text is a list of tasks or observations related to a Galapagos expedition. The paper is slightly aged and has horizontal lines. The handwriting is in dark ink, possibly a fountain pen. The list includes 'Things to do:', 'Blood sera', 'Tortoises each isl', 'Iguanas each isl', 'Both can compare mainland species', 'Hilled land & maine', and 'iguana for various is. (turtle ic)'.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
