How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come. Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

CHOICE WORSHIP SERVICES AND PLAYS. A book that fits in with the urgent needs of the present day. Written by various authors familiar with church requirements. Among its contents are several choralogues: The Woman at the Well; The Nativity; The Prodigal Son; etc. Tribute to the Rural Church is a beautiful tableau. The Little Church of Childhood is a plea for the continuance of the rural church. The Melting Pot is a patriotic number climaxing with the church's contribution to the country. Others are for Lord's Day observance and general occasions. A valuable book. 40c.

Smithsonian Institution

National Museum of African American History and Culture

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
