Can Black-Draught Help Sleeplessness?  
Yes, Black-Draught may help sleeplessness if the only reason you can't  
sleep is because of constipation. Black-Draught, the friendly laxative, is  
usually prompt and thorough when taken as directed. It costs only a  
penny or less a dose. That's why it has been a best-seller with four  
generations. If you are troubled with such symptoms as loss of appetite,  
headache, upset stomach, flatulence, physical fatigue, sleeplessness,  
mental haziness, bad breath – and if the symptoms are due only to

constipation – then see what Black-Draught may do for you. Get a package today.
