Well, so far I've not been tight this year. That's more than I can say some years.

I'm still working to beat the band here. Got all those lovely accounts to bang out on that machine over there in the corner. But I tell you, they'll do some waiting for that inventory. Stew and I are going to wait until we get our net lugs in the house before any list of furniture leaves this joint for New York. We have these foxy ideas now and then.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
