- If sharing the material in personal and educational contexts, please cite the Archives of American Art as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Archives of American Art website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Archives of American Art or transcribe@si.edu

For more information on this project and related material, contact the Archives of American Art. [See this project](#) and other collections in the Smithsonian Transcription Center.

June 28th., 1943.

Dear Mr. Dodge:

Your Postal Card reached me a few minutes ago and I hasten to tell you how pleased I am that Dr. Valentiner intends publishing the PICASSO in his "Art Quarterly" as I realize how much it will mean to Mrs. Hyde.

I am indeed disappointed not to be able to give you any further data on the painting than what was included on the invoice, but as this document is probably not in your possession, I am enclosing herein a copy of the description and data, which I know you will find very meager.

Now, I am also adding a few lines, as when you write "...relationship to other similar works..etc." you may refer to something of this sort. I hope that this will be of some help to you, though you may want to treat this subject along entirely different lines.

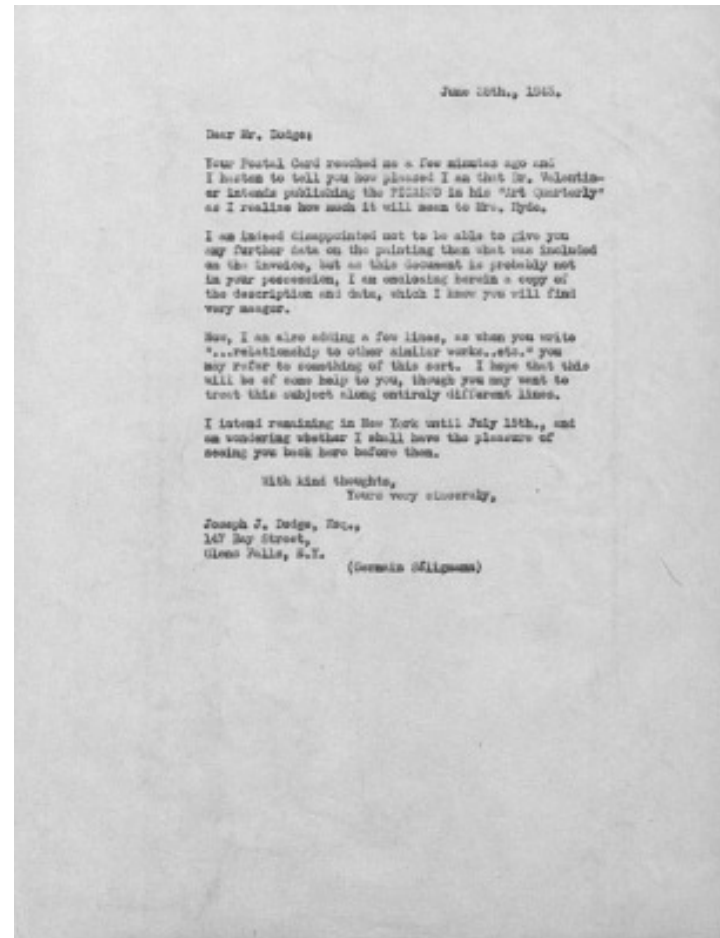

I intend remaining in New York until July 15th., and am wondering whether I shall have the pleasure of seeing you back here before then.

With kind thoughts,

Yours very sincerely,

Joseph J. Dodge, Esq.,
147 Bay Street,
Glens Falls, N.Y.

(Germain Séligmann)

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
