Gentlemen:

Mr. Germain Seligman has requested me to write to advise you that the painting by Terbruggen has not yet been delivered to us. This to explain the delay in sending you our check.

However, we are advised that the case landed at the Idlewild Airport and we therefore hope it will reach us momentarily. This truly exceptional delay probably has been caused by last week's two holidays.

Yours very sincerely,

JACQUES SELIGMANN & CO., INC.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
