George Eastman, Esq.,
900 East Ave.,
Rochester, N.Y.

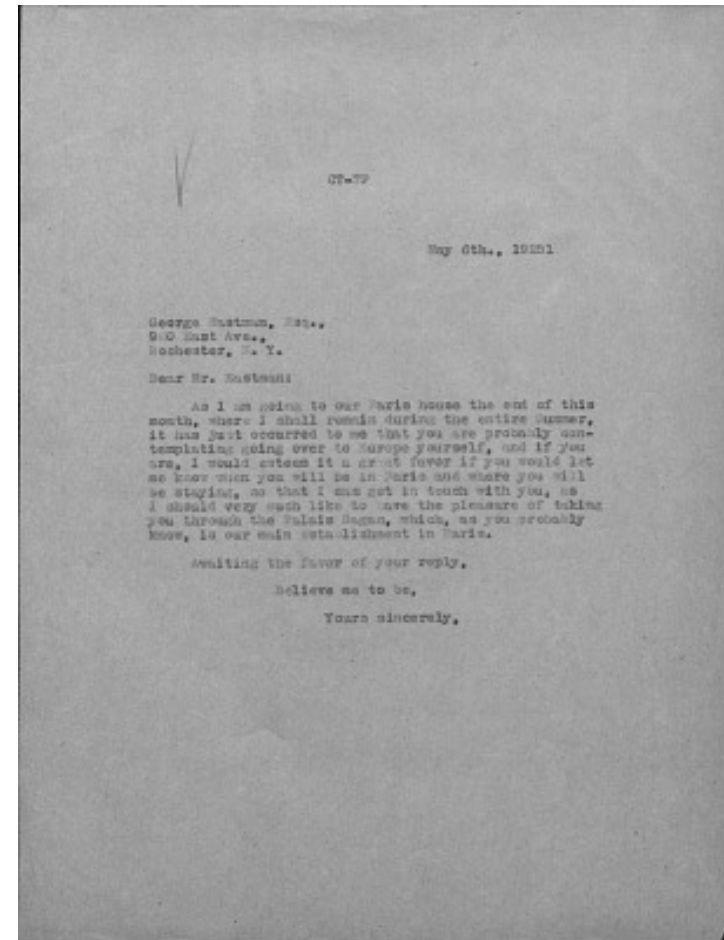

Dear Mr. Eastman:

As I am going to our Paris house the end of this month, where I shall remain during the entire Summer, it has just occurred to me that you are probably contemplating going over to Europe yourself, and if you are, I would esteem it a great favor if you would let me know when you will be in Paris and where you will be staying, so that I can get in touch with you, as I should very much like to have the pleasure of taking you through the Palais Sagan, which, as you probably know, is our main establishment in Paris.

Awaiting the favor of your reply,

Believe me to be,

Yours sincerely,

Jacques Seligmann & Co. records, General Correspondence: Eastman, George, 1924-1929

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
