stay in New York.

Several times have expected the Captain, but business has detained him, so now I have given up all hope of seeing him until I go to him, which I expect to do in June. He is back at 1507 Exposition Ave. Dallas. Is to fly there again ~~for a~~ ~~^~~ ~~[[during the]]~~ Food Show, which I think will be over about May 6th then he is going to fly at Austin, for several days.

You see I have been a widow since the latter part of February, will confess I am growing rather tired.

By the way, Miss Babcock and her family expect to move to New York as soon as college closes, as her father has been transferred. They spent last summer in some town not far from the city

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
