May 12, 1914.

Dear Mr. Studensky:

I have received your letter of May 3rd and enclose copies of two letters which I am sending to Mr. Wood and Mr. Judge respectively. They may be surprised at hearing from a company of which they know nothing, but I think the letters can do no harm and may possibly be a help.

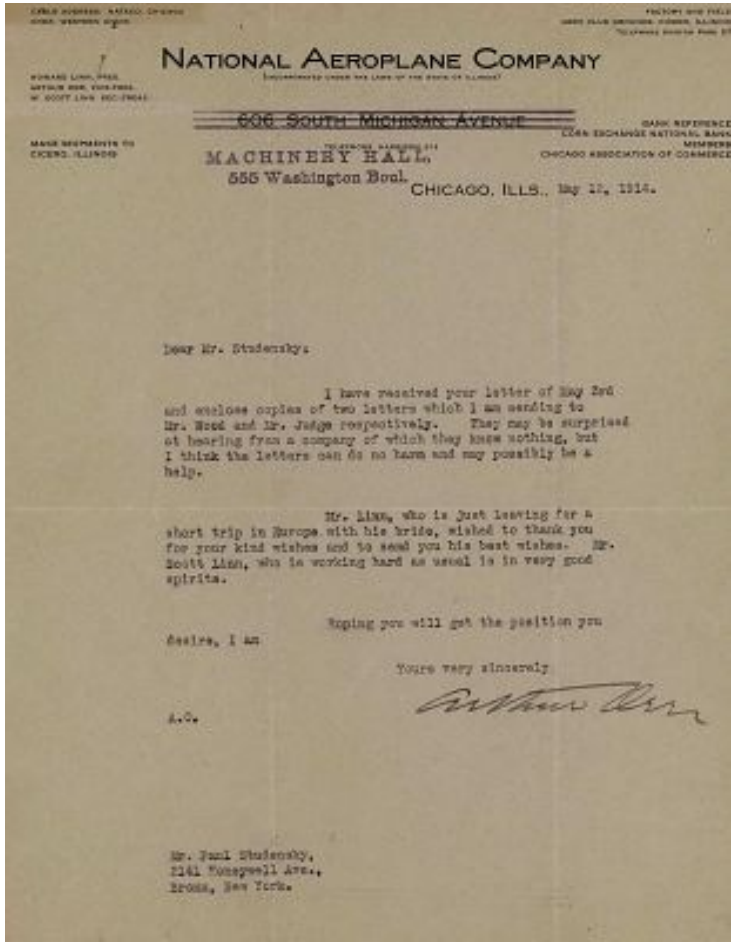

Mr. Linn, who is just leaving for a short trip in Europe with his bride, wished to thank you for your kind wishes and to send you his best wishes. Mr. Scott Linn, who is working hard as usual is in very good spirits.

Hoping you will get the position you desire, I am

Yours very sincerely,

Smithsonian National Air and Space Museum Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
