terms because they cannot rely on him, though he is a good pilot!

Kaminsky would have wanted to be with me very much and had already found a house where we could live together. He is a nice boy and only 17 - 18 years old. He dropped out of "high school" and began to fly. He lives in a boarding house near the field, for 6 dollars a week. The scenery Nastenka, is extremely beautiful! The lake, a marvellous place to swim! Much fun! There is also a beautiful park.

When you come here we will go for a swim. Then we will ride in the car all wet - the wind will dry us!

Now, my dear girl, I told you everything. Now it is your turn. First of all where do you live, with Fanny or at home, with whom, what mood are you in, how do you feel? I just made a "long

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities.Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
