My Dear Miss Fletcher

I was glad to receive last week a document having your signature, and make hast to reply, in the hope that I may receive a message written by your own hand.

As regards a "topic who represents a special interest in our locality" -- I may suggest the subject of Cooking, as one upon which Phila ladies are thoroughly interested; not cooking superficially considered

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
