Miss Fletcher

I have been sick for two weeks, which will account for my not writing sooner. I see the force of your arguments, if you were to attempt to do all that you plan - viz - overcome the opposition of the Seal Co. Then to do what you laid out in your letter as needing to be done would from certain peculiar conditions take you two years. There are certain influences that you can bring to bear next Nov & Dec that can not & need not wait a year. We can secure what we can with present light in the way of commencement of educational advantages & then get further light for more extended efforts.

The unexpectedly rapid march of events will overcome the opposition

Smithsonian Institution

National Anthropological Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
