speech of one of the Indians at St Louis as given by Barrows and others is not a fable. Unless you have such authority as the private records of the Hudson Bay Co. there is nothing to sustain the details of your article of the April No. of the Church at Home and abroad. For it could not have escaped the many sharp eyes seeking for it from 1833-1860. With kindest regards and best wishes

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
