My dear Miss Fletcher.

You have been assuredly most kind & it is my duty to tell you it has not been wholly in vain. I am not primarily interested in the Omaha but in religion - religion in its most primitive unsophisticated and so I have of late become very much enamored of our Keo Indian predecessor, and I believe we students of religion are more deeply in your debt than you yourself can realize. I hope some time I shall have the privilege of personally thanking you, for Hallo & what it has meant we to many hundreds of people. It may interest you to know that I have this past season delivered six lectures on Hallo - & made some twenty people buy the book - & have

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
