The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the National Anthropological Archives as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the National Anthropological Archives website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact National Anthropological Archives or transcribe@si.edu

For more information on this project and related material, contact the National Anthropological Archives. [See this project](#) and other collections in the Smithsonian Transcription Center.

[[lines 17-26 have a large "x" drawn over them]]
 [[strikethrough]]

17 restrictions, and limitations as are provided in section six of this
 18 act touching patents to all others therein mentioned; but
 19 such conditions, restrictions, and limitations shall not extend
 20 beyond the expiration of the term expressed in the patent
 21 herein authorized to be issued to the tribe in common: And
 22 provided further, That these patents, when issued, shall over-
 23 ride the patent authorized to be issued to the tribe as afore-
 24 said, and shall separate the individual allotments from the
 25 lands held in common, which proviso shall be incorporated in
 26 the patent issued to the tribe.

[[/strikethrough]]

1 SEC. 9. That the commissioners to be appointed by the
 2 Secretary of the Interior under the provision of this act
 3 shall receive compensation for their services at the rate of
 4 five dollars for each day actively engaged in the duties herein
 5 designated, in addition to the amount paid by them for actual
 6 traveling and other necessary expenses.

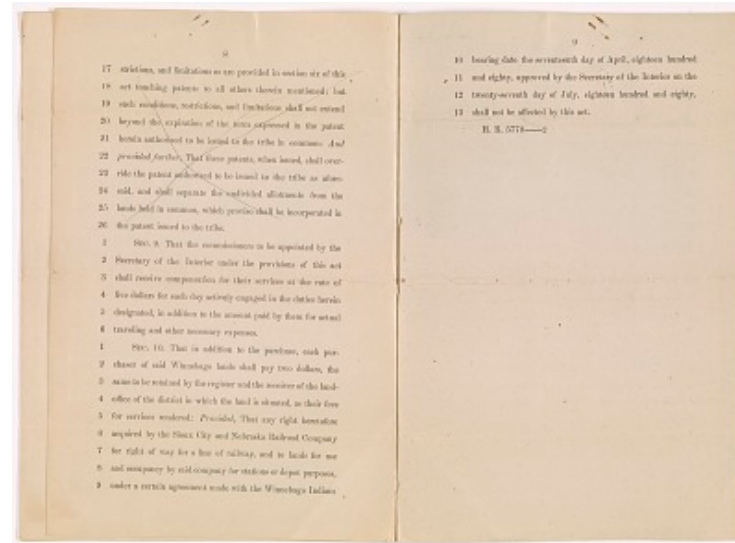

1 SEC. 10. That in addition to the purchase, each pur-
 2 chaser of said Winnebago lands shall pay two dollars, the
 3 same to be retained by the register and the receiver of the land-
 4 office of the district in which the land is situated, as their fees
 5 for services rendered: Provided, That any right heretofore
 6 acquired by the Sioux City and Nebraska Railroad Company
 7 for right of way for a line of railway, and to lands for use
 8 and occupy by said company for stations or depot purposes,
 9 under a certain agreement made with the Winnebago Indians

National Anthropological Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
