Winnebago.
Nebraska. Oct. 17 7

Hon. Commissioner of Indian Affairs.

Sir:

I have the honor to submit the following case and to ask instructions as to the right of ^{minor} heirs to dispose of property covered by the old patents.

Under date of February 4. 1896. the W. 1/2 . m E 1/4 Sec. 28. Township 26 Range 9. being in the land purchased in 1874 for the Winnebago Indians, was patented to John Marc. Chah. Ahuk. Kam. About 1878 a house was built upon this land for the use of John Marc. This man died in Wisconsin about 1880. leaving one son, I suppose, who is about 19 years old and at School.

During John Marc's last sickness, Consumption, while he was still living here, he was doctored by Red Legs, a Winnebago. As compensation for his services, John Marc told Red Legs to occupy the house and land above described. Red Legs enlisted into possession and has been living in the house and

National Anthropological Archives

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
