My dear M,

Just a line to you before I go to work on a letter I have to write - to Mr. Hodge about my allowance. I have written three times to Mr. Moon about the Oz age photographs and so far has failed to answer them and I do not know what to make of it. I cannot think that he intends to go back on his agreement with me and yet his [[eiture?]] regarding the work does not look quite right. What is the name of the man who keeps the store of Indian curios at the Grand Canyon? I think I must write to him and find out what has happened to the [[Moniz?]], if they have died or left the country, it finds me in an embarrassing position as the [[Jiorenze?]]

## Smithsonian Institution

*National Anthropological Archives*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
