same day. We are going tourist. I'm sure there is time to get a place for you on the same plane if you have not already made other arrangements as you suggested you might. We would all like to visit Beebe one day as we did last time, and expect to find you there for you will be taking up his invitation to spend several days up there. It's a wonderful place, and none of the rest have ever seen it.

Too bad Dr. Carmichael cannot see his way clear to get off for at least a few days. I tried to persuade him to at least go as far as Tobago but no go. I am enclosing his reply to the note I wrote in order to catch him. He's considerably on the move — not quite so much as Dulles Rio.

In Trinidad I shall take the party to the Bertton Hall Hotel, 16 Victoria Street where we stopped in '56. Its neat, clean, and

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
