November 4, 1926

Messrs. Jacques Seligmann & Co.  
3 East 51st Street,  
New York City

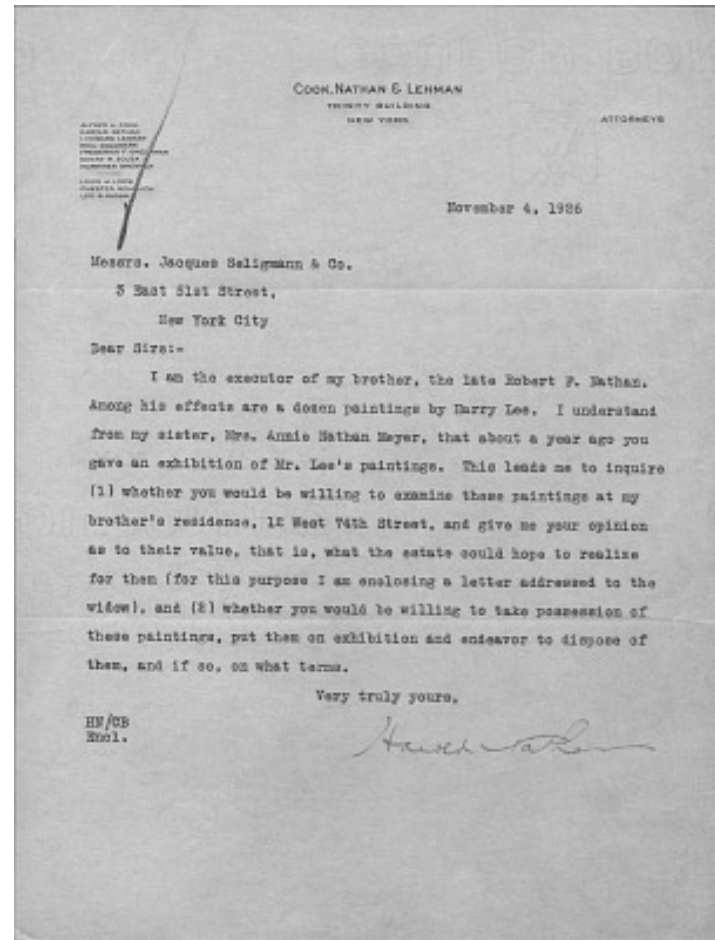

Dear Sirs:-

I am the executor of my brother, the late Robert F. Nathan. Among his effects are a dozen paintings by Harry Lee. I understand from my sister, Mrs. Annie Nathan Meyer, that about a year ago you gave an exhibition of Mr. Lee's paintings. This leads me to inquire (1) whether you would be willing to examine these paintings at my brother's residence, 12 West 74th Street, and give me your opinion as to their value, that is, what the estate could hope to realize for them (for this purpose I am enclosing a letter addressed to the widow), and (2) whether you would be willing to take possession of these paintings, put them on exhibition and endeavor to dispose of them, and if so, on what terms.

Very truly yours,

[[signed]]Harold Nathan[[/signed]]

## Smithsonian Institution

*Archives of American Art*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
