Sir

In reply to your letter of May 30. I have to state that this Dept. is not just now in the want of any sugar and, as many of the troops are about leaving none will be required for some time.

I made no contract with Col Pearson but will repeat that when this Dept. wants sugar, I should prefer buying it here to sending to Norleans for it, when the quality, price etc. make it the public interest to do so.

very respectfully
