Rev Mr Kimball

Dear Sir

A young lady friend of mine is very anxious to know "where and upon what terms the "Bureau" will send teachers for the coming season." Could you give the information? She is at present in Florida has been engaged in the work nearly three years and is a very successful teacher. She would go in any of the lower Southern States and is desirous of engaging her services before returning North to recruit. By replying to this immediately you will greatly oblige

Yours very truly
