The Picture of my Home.

We live in a log house, and it is large enough to put beds and trunks in. It holds many things. We live in a small house before, and it does not hold many things. There are eleven of us and we all sleep in beds. We have a cooking stove and other furniture.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
