W. L. Vanderliss Superintendent of Education

Dear Sir

The school here is doing tolerable well considering the low land and the bad traveling in such locations. Mr Wm. H Chambers who is teacher here seems to be getting along well here ~~[[strikethrough]]~~ The ~~[[strikethrough]]~~ people all seem to like him The school numbers about 45 and average attendance of about 36 This House is not finished but the trustees here promise to have it done during vacation There seems to be a very slow movement on the part of the people in the Catholic neighbourhood they do not send their children out like other denominations but I think they are doing much better than they were 18 months ago

I am very Respectfully yours

John H. Butler

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
