New York, March 22-/66-

Mr. John Kimball.  
Supt. Schools, Bureau &c.

Dear sir,

I am in due receipt of your favor of the 21st instant.

We are much obliged by the interest you take in our schools & in the  
education of the colored people generally.

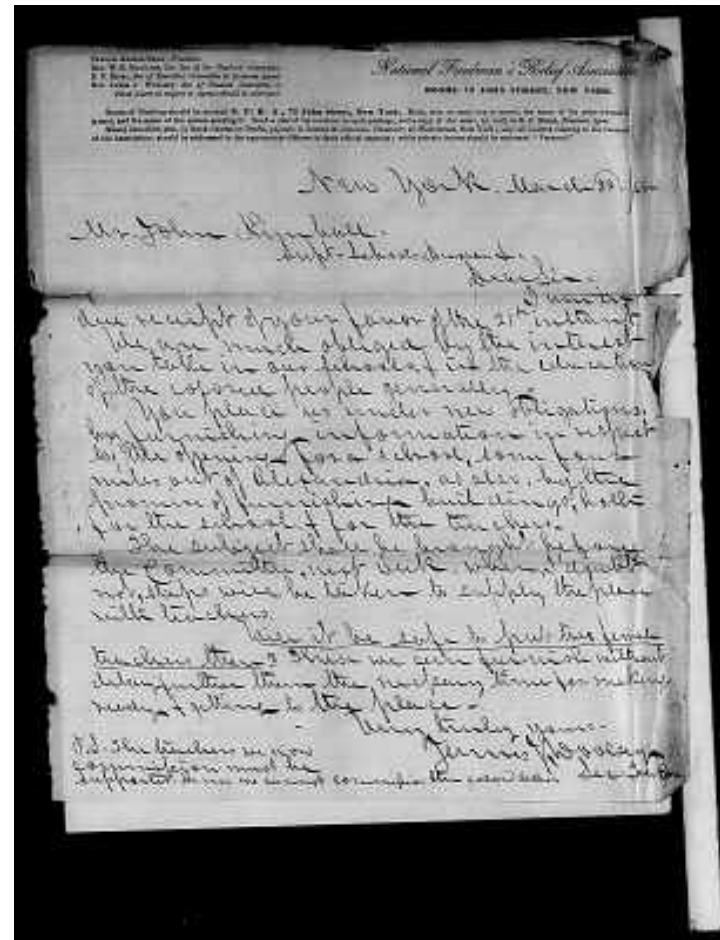

You place us under new obligations by furnishing information in respect  
to the opening for a school, some four miles out of Alexandria, as also,  
by the promise of furnishing buildings, holi for the school & for the  
teachers.

The subject shall be brought before the Committee, next week, when, I  
doubt not, steps will be taken to supply the place with teachers.

[[underlined]] Will it be safe to put two female teachers there?  
[[/underlined]] These we can furnish without delay further than the  
necessary time for making ready & getting to the place.

Very truly yours-

Sec. Tch. Com.

P.S. The teachers we now commission must be supported. Hence we  
cannot commission the colored ladies.
