WHO'S WHO IN THE CAST
 [[column 1]]

the Early Curtain Series, the Wine Series, the Gay and Lesbian Series and related humanities events and publications. In addition, through arts and educational programs, Roundabout reaches over 7,000 New York City public high school students and their teachers each year. With a focus on in-depth programming, these activities range from professional development for teachers to in-school artist residencies to student matinees at our Broadway and off-Broadway theatres. Though national tours, live broadcasts, education and outreach programs, and its work on three stages, Roundabout touches the lives of millions of theatre-goers, students and artists across the country.

Information in "Who's Who in the Cast" is provided by the production. Where opinions are expressed, they are those of the players, not necessarily those of PLAYBILL Magazine.
