Brief Book Reviews
By Orville Prescott

COMMODORE HORNBLOWER--By C. S. Forester. Little, Brown, \$2.50. Your favorite naval hero's further adventures, this time fighting Napoleon in the Baltic Sea. Not up to its predecessors, but still a grand tale.

FIGHTING LIBERAL: The Autobiography of George W. Norris--Macmillan, \$3.50. Important document for students of American politics, but a dull and tiresome autobiography for all that.

PRIDE'S WAY--By Robert Molloy. Macmillan, \$2.50. Deft, satiric, gentle comedy about two elderly widows in Charleston and the pitfalls of excessive pride. Very pleasant in a mild way.

Smithsonian Institution

National Museum of African American History and Culture

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
