 Design for Tomorrow
 BUILT-IN CLIMATE... Some like it hot... some like it cold... so science
 dreams up this convenient air-conditioning system for your postwar
 home. Don't look for it too soon after V-Day... even in the ultra modern
 Grand Central Zone! And remember, whatever improvements the future
 may hold, there's no improving on the fundamental convenience you
 enjoy when you live in this smart mid-town section. You're only minutes
 from Manhattan's finest restaurants, shops, markets, theatres, key
 business districts. There's a wide variety of surprisingly moderate
 apartments and delightful hotel suites of varied size within this zone. No
 wonder families prefer this section that offers so much for so little!

Smithsonian Institution

National Museum of African American History and Culture

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
