Dear Mr. Seligmann,

The Modern Art Society is producing in May a retrospective show of Juan Gris, which promises to be quite extensive and interesting. We have been fortunate in finding a catalogue of your exhibition of this great artist in the museum library. We are wondering whether you have the original plates from which these illustrations were made

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
