"Commitment brings substance to dance."

Choreography involves more than just creating movement. It requires vision and commitment on the part of everyone involved—from the first rehearsal to the final curtain call. It is this combination of commitment and vision that brings substance to every dancer's performance.

I admire substance not only in dance but also in the products that I use. I use the Gold MasterCard® because it offers worldwide acceptance and creates possibilities for me virtually everywhere I go. Its substantial credit line also provides me with the flexibility my hectic life requires.

From the white nights of Finland to the stage lights of Broadway, the Gold MasterCard allows me to choreograph a life full of possibilities.

## Smithsonian Institution

*National Museum of African American History and Culture*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
