THE NEW 2000 MAXIMA. Don't let the numbers of doors fool you. Nor should you let the roomy interior gracious leather appointments, or even the smoother, quieter ride throw you. Because once you slip behind the wheel of the new Maxima, once you began to pilot the formidable 222-horsepower V6, amazing things happen. Sixty miles per hour is achieved in an astonishing 6.7 seconds. Few than 10 seconds later you've traveled a quarter mile.* Upon the first curve, a synergistic relationships develops between you, the suspension and the road. And continued to deepen with each subsequent turn. This is the stuff of roadsters. This is the stuff of sport coups. This is not the stuff of sedans. Or is it? Inquiries. Call: 800-257-9995. National Museum of African American History and Culture

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
