The Smithsonian Institution thanks all digital volunteers that transcribed and reviewed this material. Your work enriches Smithsonian collections, making them available to anyone with an interest in using them.

The Smithsonian Institution (the "Smithsonian") provides the content on this website (transcription.si.edu), other Smithsonian websites, and third-party sites on which it maintains a presence ("SI Websites") in support of its mission for the "increase and diffusion of knowledge." The Smithsonian invites visitors to use its online content for personal, educational and other non-commercial purposes. By using this website, you accept and agree to abide by the [following terms](#).

- If sharing the material in personal and educational contexts, please cite the Smithsonian Institution Archives as source of the content and the project title as provided at the top of the document. Include the accession number or collection name; when possible, link to the Smithsonian Institution Archives website.
- If you wish to use this material in a for-profit publication, exhibition, or online project, please contact Smithsonian Institution Archives or transcribe@si.edu

For more information on this project and related material, contact the Smithsonian Institution Archives. [See this project](#) and other collections in the Smithsonian Transcription Center.

About 3 PM I discover 1/3 ~~GLTs~~ sloths climbing up to my bed in my bunkbed arrangement

James & Octavio generously remove it!

to the public for conserv. educ. would make it more difficult for IBDF to bury their budget.

They aren't yet a separate clear-cut line item - as they should be in the budget.

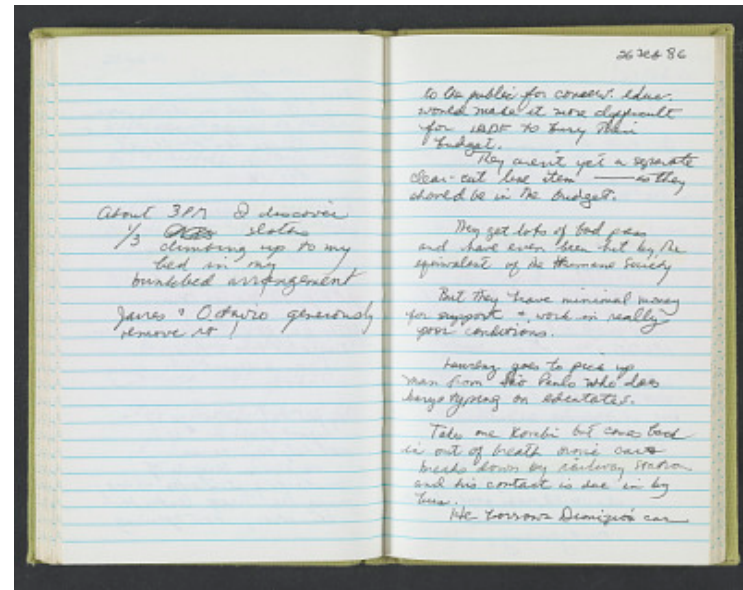

They get lots of bad press and have even been hit by the equivalent of the Humane Society

But they have minimal money for support & work in really poor conditions.

Laurenz goes to pick up man from São Paulo who does karyotyping on edentates.

Takes one Kombi but comes back in out of breath since car ~~s~~ breaks down by railway station and his contact is due in by bus.

He borrows Dionizio's car

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
