December 29, 1925

Mr. Rene Seligman,  
705 Fifth Avenue,  
New York City.

Dear Mr. Seligman:

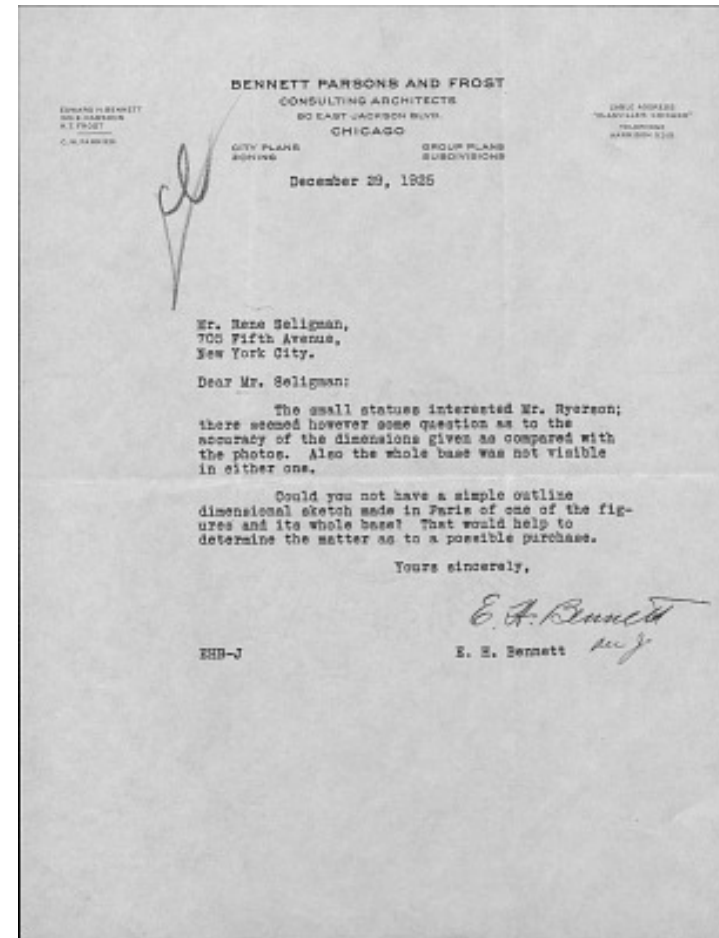

The small statues interested Mr. Ryerson; there seemed however some question as to the accuracy of the dimensions given as compared with the photos. Also the whole base was not visible in either one.

Could you not have a simple outline dimensional sketch made in Paris of one of the figures and its whole base? That would help to determine the matter as to a possible purchase.

Yours sincerely,

^[[E. H. Bennett

## Smithsonian Institution

*Archives of American Art*

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
