Edward H. Bennett, Esq.,  
80 East Jackson Blvd.,  
Chicago, Ill.

Dear Mr. Bennett:

We would like to know whether you would be interested in a very fine Gothic stone Mantel, measuring 8 ft. high by 8 ft. 6 in. wide, which we have here in our Gothic Room.

As we contemplate moving from here shortly and owing to the fact that in our new premises we may not have accommodation for a large mantel of this nature, we would be very pleased to dispose of it at a very low price sooner than take the risk of shipping it back to our Paris house.

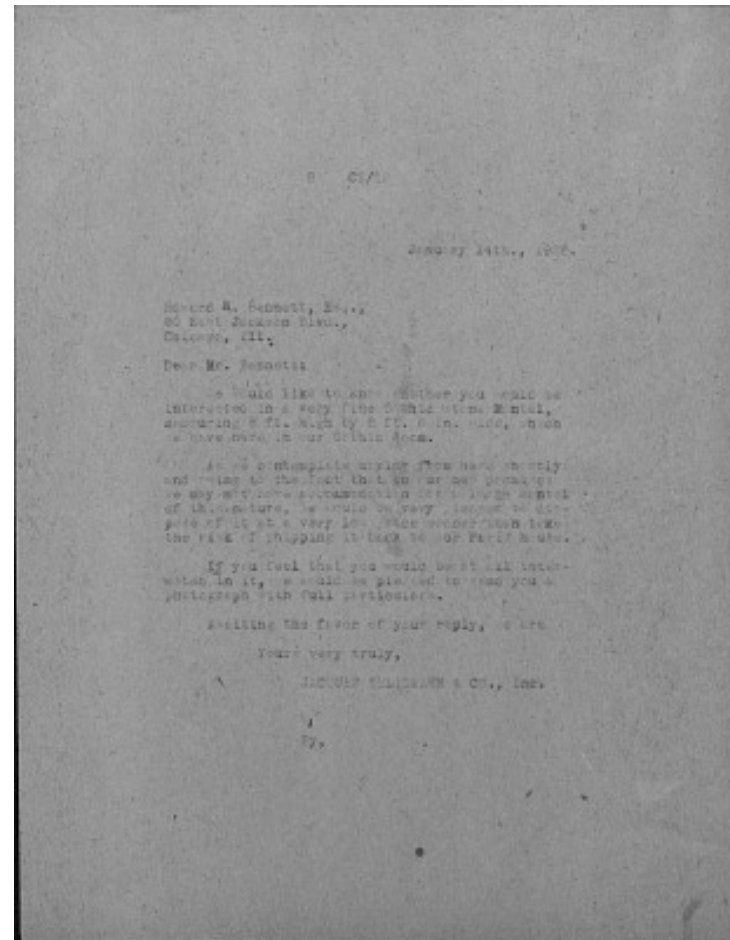

If you feel that you would be at all interested in it, we would be pleased to send you a photograph with full particulars.

Awaiting the favor of your reply, we are

Yours very truly,

JACQUES SELIGMANN & CO., Inc.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
