RS-TP

December 5th., 1924.

E.J. Berwind, Esq.,
2 East 64th. St.,
New York, New York.

Dear Mr. Berwind:

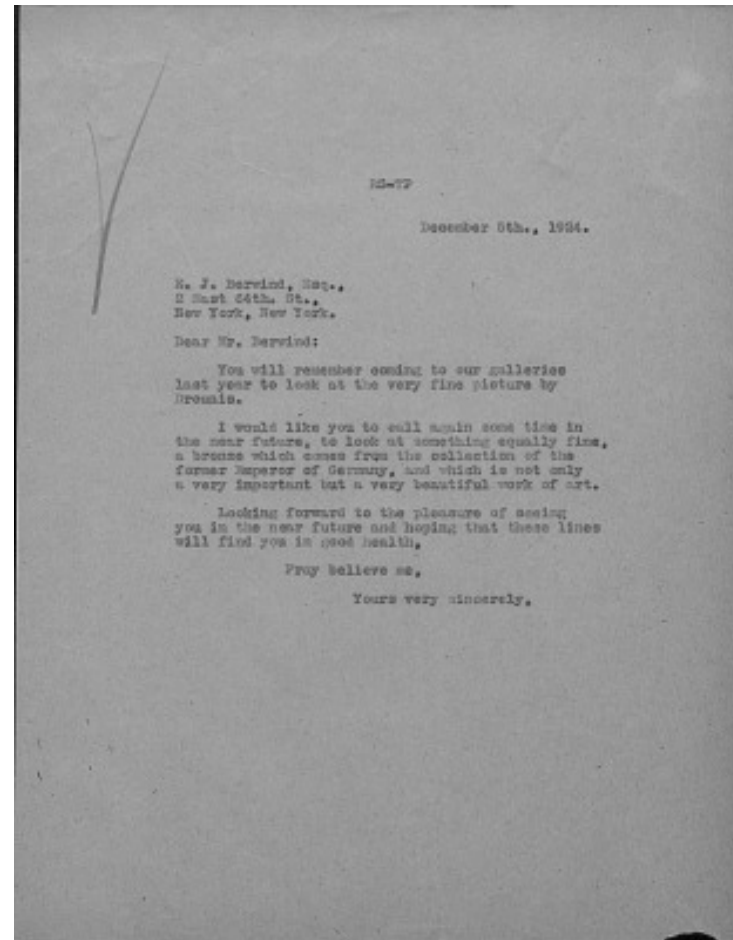

You will remember coming to our galleries last year to look at the very fine picture by Drouais.

I would like you to call again some time in the near future, to look at something equally fine, a bronze which comes from the collection of the former Emperor of Germany, and which is not only a very important but a very beautiful work of art.

Looking forward to the pleasure of seeing you in the near future and hoping that these lines will find you in good health,

Pray believe me,

Yours very sincerely,

Jacques Seligmann & Co. records, General Correspondence: Berwind, E. J., 1923-1939

Archives of American Art

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
