Welcome to the fourth season of the ARTISTS TALK ON ART Panel Series. Our name speaks for itself, so we encourage each one of you to participate in these discussions. If you have any ideas for future panel topics or want to be part of the program committee, please contact us.

We have just incorporated Artists Talk On Art, Inc. as a not-for-profit corporation in the hope that we may qualify for future funding. This year (as in the past), however, our funds will come from the \$1.00 admission you pay to attend. This money goes to hold the panels and send out these mailings. No member of the board, the program committee or any panel is paid.

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
