ARTISTS TALK ON ART
A forum for artists to meet, talk and listen to each other.

Put the 10th Anniversary of the artist, artist, artist and collectors who helped make our 10th Anniversary a success. Special thanks to Museum Associates for sponsoring our 10th anniversary and 22 Wheeler Gallery for going to the trouble with the dock last October with several of us to meet, meet and talk.

Artist Talk On Art was founded in 1974 to encourage the exchange of ideas and discussion of issues in the New York City community and to contribute to the national dialog on our profession. We have and published the 10th anniversary of our 10th Anniversary Panel Series.

This annual forum is open to speakers from all of the above-mentioned panels and is open to all professionally performing artists. We invite and accept all artists from where members of the art community can come to discuss and discuss their work in person, whether it be written, exhibited or performed. To find out how you can organize a panel for your next season, give us a call.
