Nov. 11th We put Bertha in the new stall tonight. The next morning after milking, she broke through the back part of the floor of her stall so we put a new floor on top of the other. We covered the rafters over her stall with the ~~grass~~ which the ~~prickly~~ grass which grows in the ~~pon~~ ~~bed~~ of the pond.

Nov 15 There was a little snow this morning for a number of hours, but it did not cover the ground, and this evening there was another which just covered the ground. This morning is the coldest we have had since we came here and the ~~the~~ thermometer went

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
