June 1892

Alice not well at all. rather silent most of the time.

Friday June 3d

Said good night to her in bed. Torn between my desire not to leave her & my desire not to spoil her sleep.

June 4th Saturday.

Sailed for America. Alice stood on the shore and photographed the ship as we moved away. She looked so thin and pale to me as she sat on the wharf. Perhaps I never shall see her again.

Steamship Noordland, red star line.

José Carregha, consul from Belgium to Mexico.

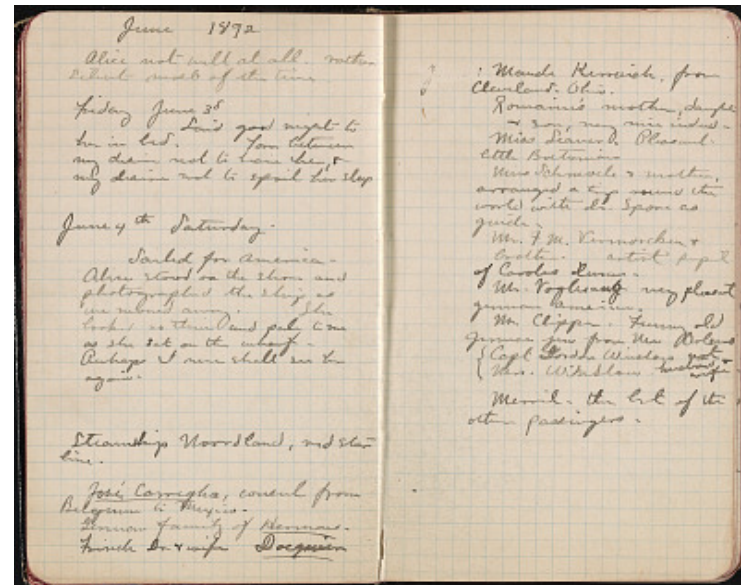

German family of Hermans.  
French Dr. & wife Docquien

The mission of the Smithsonian is the increase and diffusion of knowledge - shaping the future by preserving our heritage, discovering new knowledge, and sharing our resources with the world. Founded in 1846, the Smithsonian is the world's largest museum and research complex, consisting of 19 museums and galleries, the National Zoological Park, and nine research facilities. Become an active part of our mission through the Transcription Center. Together, we are discovering secrets hidden deep inside our collections that illuminate our history and our world.
